

On June 20th, 2009 at the Sauk Prairie Trap & Skeet Club the Wisconsin SCTP (Scholastic Clay Target Program) State Trap Shoot was held. The weather conditions were near perfect, a little wind a few clouds and in the low 80's for temperature. I think it might have been our first day of summer for the season.

We had 37 squads (170+) that participated in the event from all across Wisconsin. Congratulations to all the shooters and coaches that made this event possible, they are all winners.

The host club (The Sauk Prairie Trap & Skeet Club) did an outstanding job with all their volunteer help. The WSCTP Board of advisors also provided their outstanding assistance to the event. The shoot ran extremely well with all the youth shooters walking away with smiles on their faces.

I would like to extend a thank you to Sauk Prairie Trap & Skeet for having a silent auction for our youth shooting program, it raised \$110.00.

The Wisconsin Coach of the year award was presented to Gary DeSmidt.

The WSCTP Board is working on the by-laws and setting up a 501c3 status for the future of the WSCTP. We are working on changing the name of the WSCTP to possibly the WYSA (Wisconsin Youth Shooting Sports Alliance). The goal is to keep are youth shooters involved in the clay target shooting sports.

Submitted By: Gary DeSmidt, President Wisconsin SCTP Trap
