

5 Man Team Shoot

What a great weekend of shooting. Despite the rains that started the weekend and the flooding that took place, the shoot went on as scheduled with no problems.

First a huge thank you to the Waukesha Gun Club. The Club president, Pat Gerbensky, the Manager, Karen Gerbensky, and most importantly, all the trap line help who all worked so hard, all three days to provide us not only with great targets and shooting, but more importantly, an enjoyable weekend of fun and fellowship with our fellow shooters.

This year for the 5 Man event, there were three ways to win (all three based of a lewis type system). First were the championship buckles and state team patch. Second was the \$2000 added money provided courtesy by the Waukesha Gun Club, paid out in four classes, and third , was the team lewis paid out to max 5 classes at 1 for 10.

(To view all the lewis class money winners, please go to the WTA website, www.witrapshooters.com where the results are posted under the "shoot results" link)

For the second year in a row, **Peterson Ford** from Oconto Falls, WI was the 5 Man Team Shoot Champion with a score of 496 x 500. (Thank you to Pete Mueller who donated the buckles and patches to this years event champions) *Great Shooting Gentlemen !!!*
