

I'd like to remind everyone that the WTA has some great events for you to get out and participate in if you haven't already blown the dust off your trap gun this spring.

The zone shoots are being hosted by Gateway and Janesville on the first weekend in June and Boxhorn and Eau Claire on the second weekend. Programs for these shoots can be found on the WTA website at www.witrapshooters.com or in the shooter's calendar.

Also just around the corner is the Wisconsin 5-Man Team Shoot. The shoot will be held at the Waukesha Gun Club on Sunday, June 21st. But don't just show up for the Team Shoot as Waukesha has a great shoot planned for the Saturday the 20th with a cook-out to follow the day's shooting events. Prizes include buckles and patches to champions and \$2000 added money for the Team Shoot.

From time to time, I am notified of some incredible target attainments which I'm glad to pass on to everyone. However, on April 18th, I was present when Don Meuer of Dodgeville shot at and broke his 100,000th registered singles target at the Muscoda Sportsman's Club. Congratulations to Don on a ton of targets shot through his trusty Model 12!

That's all I have for now and I hope to see you on the line soon if I haven't already! Feel free to contact me via e-mail at trapshootingguy@hotmail.com or by phone at (608) 485-2662.

Grind 'em up!
