

Hopefully the Wisconsin zone and state 5-man team shoots were great events and many of you enjoyed the weather and broke good scores. In just a couple short weeks we'll once again be back at Waukesha to shoot the 110th annual Wisconsin State Shoot.

I would like to remind all persons eligible for the Wisconsin All-State Teams to pick up a State Team application form at the State Shoot if you haven't already requested one from your gun club or zone director. Applications to the state team must be in by December 31st, 2009.

From time to time, I am notified of some incredible target attainments which I'm glad to pass on to everyone. However, on April 18th, I was present when Don Meuer of Dodgeville shot at and broke his 100,000th registered singles target at the Muscoda Sportsman's Club. Congratulations to Don on a ton of targets shot through his trusty Model 12!

Finally, I would like to share that on May 16th, I married my girlfriend of over 5 years. Sarah and I held our wedding reception at the Muscoda Sportsman's Club and even shot a few rounds of trap with 25+ people on the 16 yard line. Thanks to all those who sent us well wishes!

That's all I have for now and I hope to see you on the line soon if I haven't already! Feel free to contact me via e-mail at trapshootingguy@hotmail.com or by phone at (608) 485-2662.

Grind 'em up !!
