PRESIDENT'S MESSAGE

The WTA Board of Directors and I welcome you to the 111th Annual Wisconsin State Shoot. We hope you enjoy the brochures new look and hope to get some feed-back from you with your thoughts as we are determining if we want to proceed with this style in the coming years.

September 23, 2009 was a historical date for the WTA. The Internal Revenue Service notified us that we are exempt from Federal income tax under section 501 (c) (3) of the Internal Revenue Code. This accomplishment would not have been fulfilled without the services of our attorneys Dan Rupar from Ruder Ware Business Attorneys Wausau WI, Keith Kehrer from Bryan Cave LLP St. Louis, MO and the many shooters within the WTA that contributed very important information that lead to our achievement. This opportunity will lead us to a direction that will financially strengthen the WTA and will open the doors to more success.

As you might have noticed we have changed the date for our Wisconsin 5-Man Team Shoot to August 22nd. Being this will be a non-registered shoot, now is the best time to put your best shooting team together and compete in a 100 target 16-yard event which will be held at the Waukesha Gun Club. Let the games begin!

The WTA Annual Meeting will begin at 8:00 A.M. Friday on the East end of the grounds. We hope that you attend because of some very important information will be released at the meeting. Please remember to bring your 2009 ATA membership card and proof that you have shot for at least 2 years so that you may vote for your ATA Delegate and Alternate Delegates.

I wish to thank everyone behind the scenes that has the passion for us to have a successful organization and State Shoot. We are gifted to have these individuals. Hopefully our paths will cross this shooting season and if not I hope to see you in July at the State Shoot. Until then support your local club and take a friend shooting.

Bruce Stiteley – WTA President

This certifies that the Wisconsin Trapshooting Association
has been authorized to hold an ATA Registered shoot at
Waukesha Gun Club in Waukesha, Wisconsin
July 12 thru July 17, 2011
Executive Director, ATA

The Directors of the WTA reserve the right to change the program as conditions warrant and to reject any entry without explanation. The entire program is conducted by the WTA. The Waukesha Gun Club provides the facility. In the event of trap break downs or other circumstances which could impede the progress of this shoot, the Directors of the WTA reserve the right to move squads to other than their starting locations to efficiently expedite the completion of events. In the event of a dispute over interpretation of this program, the decision of the Directors of the WTA shall govern.

WTA Zero Tolerance Policy—There will be zero tolerance of any shooter or observer interfering with the shoot by abusing any shooter, WTA Director, Officer, or employee in any way; unauthorized operation of equipment or partaking of alcoholic beverages prior to shooting, including shoot offs. This behavior will result in an immediate automatic request to leave the grounds, disqualification of scores, and forfeiture of any entry fees paid. This will be enforced!

- ◆ Omission of scores and inaccuracies subject shooters to disqualification

NOTICE: The Handicap Committee reserves the right to change a shooters classification at any time. Any changes made by the Classification Committee during this shoot become official when the shooter is notified or when posted on the scoreboard. Errors may be corrected at any time. If you gain yardage you must check at the Squading Table to see if you need resquading for the remaining handicap events.

ENTRY PROCEDURE - PLEASE READ

The grounds will be open at noon on Monday, July 11 for classification, squading, cashiering, exhibitor set-up and camper set-up.

Before you can make any entries, you must be a current ATA member. If you need an ATA membership or renewal, go directly to the cashier's counter. The WTA has changed to the 3S Shooting Sports Software for our State Shoot. As such, you are now required to have your plastic ATA card for classifying, squading, cashiering and the collection of event payoffs. In order to expedite the shoot, please follow the entry procedure in the following order:

1. Classification - All shooters, whether pre-squaded or not, must start at classification. Present your plastic ATA card and ATA paper average card to a member of the Classification Committee at the classification table. Please have your average card up to date! They will enter your classification, yardage and any special category for which you declare into the computer system. If you do not have a plastic ATA card or ATA number, then the computer will assign you a Shooter Number. Otherwise your ATA Number is your Shooter Number. Do not misplace this number as it will be required for squading and cashiering.

2. Squading - If you have pre-squaded for this shoot at presquad.com, you may proceed directly to the cashier's counter. Otherwise, proceed to the squading table and stand in the line for the event(s) that you wish to enter. Present your plastic ATA card or Shooter Number to the squading personnel. They will enter your squading information into the computer system. You will not receive any paper entry cards. Shooters **must** take the next available position or squad available in the squading line. There is a limit of one full squad per shooter per event. There will be no exceptions except for those shooters that are handicapped. Any shooter or group of shooters found trying to circumvent these procedures by requesting multiple squads and/or positions will have their entries refused and could be subject to further disqualification from an event or from the entire tournament. To ensure your shooting times and positions, the use of presquad.com is recommended.

Please note: The trapline is arranged into fourteen (14) banks of trapfields with fourteen starting points. Bank A is at the West end and Bank G at the East end of the trap line. 50 targets will be shot per trap for all singles, handicap and doubles events. Charts showing the starting locations for squad numbers will be made available and posted about the grounds.

3. Cashiering - Present your plastic ATA card or Shooters Number to personnel at the cashier's counter. They will ask which purses and options that you wish to play. Please make this decision in advance, as no additions or withdrawals will be allowed for any event after you have cashiered. Checks will be accepted for the amount of shooting fees only. Make checks payable to the WTA. No two party checks or endorsements. A \$25.00 fee will be charged on all bad checks. There are no refunds unless an event is cancelled.

Junior Entry: Shooters under 18 years of age are offered targets at a reduced rate of \$22.00 per 100 only if purses or options are not played. These Juniors are still eligible for trophies and added money if their score so qualifies them.

4. Event Payoffs - You must present your plastic ATA card or Shooters Number to cashier personnel in order to receive any event payoffs. Announcements will be made or posted daily as to the availability of payoffs. All payoffs not made at the shoot will be mailed within 10 days.

THE CASHIER'S COUNTER WILL OPEN AT 7:30 AM and CLOSE AT 5:00 PM DAILY

SQUAD HUSTLING

Check in with the squad hustler at your starting trap and sign in on your squad sheet at the starting trap scorer's bench. At each of the starting locations, the number of the squad which is actually shooting is posted on the scorers bench and the master squad boards.

WE DO NOT CALL SQUAD NUMBERS ON THE PA SYSTEM

No shooter will be allowed to make up more than one (1) sub-event on the practice trap.

Note: If you are unable to join your squad before they have started their second sub-event, you must be resquadded and pay a \$20.00 resquadding fee. If you miss one sub-event, you must report to a WTA Director and make up the sub-event on a practice trap.

TARGET SETTING

Targets will be set each morning, only authorized WTA personnel may reset targets. Any unauthorized person observed resetting targets, may be disqualified from that event.

ALL WTA DIRECTORS ARE OFFICIAL LINE REFEREES

SHOOT OFFS

A contestant whose score qualifies them for more than one (1) ATA/WTA trophy must notify shoot management as to which trophy he/she desires to accept or shoot for. The shooter must make his/her declaration after the scores for each EVENT are posted and before entering into any shoot-off/carry-over. The maximum time allowed for such declaration shall be 15 minutes or at the time of shoot offs for that event. This declaration should be made at the shoot off table. If the shooter fails to make a declaration within the specified time, shoot management shall assign "category" as the choice.

Any shooter who is tied for event Champion may shoot-off/carry-over for the Championship trophy. If a shooter fails in the championship trophy shoot-off/carry-over and has declared a special category at the time of classification, the shooter can fall back to the declared special category.

Any shooter who has declared a special category at the time of classification and whose score qualifies for any trophy in his/her declared category, will compete for the category trophy and not for place, class or yardage group.

Any special category shooter whose score does not qualify for a trophy in his/her category, may compete for place, class or yardage group trophies.

Category shooters can shoot off for resident category trophies and then fall back to open category trophies if their score allows.

Once any declarations have been made either by a shooter or shoot management, the declaration is final and cannot be changed. There shall be no exception to this rule.

If there is a tie between two or more shooters, and one shooter leaves the grounds, they are disqualified. If the other shooter has consumed alcohol, they are disqualified. 1st ATA rule is for "no show", 2nd rule regards "no tolerance." Ties under this rule will be decided by a coin flip or by lot.

Note: No Shooter may win more than one trophy per event, except the concurrent awards of Husband/Wife, Parent/Child and Club Team Championship

ATA RULE - SPECIAL CATEGORIES: All Ladies, Sub-juniors, Junior, Veterans, and Senior-Vets must declare their special category at the time of classification in any registered tournament if they wish to compete as a category shooter. Without such declaration, the contestant will not be allowed to compete for the applicable category trophy. No contestant will be allowed to declare or change a special declaration after firing his/her first shot. There will be no exceptions to this rule. The following rules apply to shooters who have declared a special category. At all tournaments where All American points will be awarded in any event, shooters may declare only one (1) category (i.e. Lady, Sub-Junior, Junior, Veteran, or Senior Veteran) Note: Chair shooters are exempt from this rule.

Shooters who become eligible for new age based categories during the target year may elect to continue to compete in the previous category for the remainder of that target year. (For example a shooter reaching age 70 may elect to continue to shoot as a Veteran for the remainder of the current target year.) However, once a shooter has elected to move to the new category that decision is irrevocable and he/she may not again declare eligibility for the previous category. Junior shooters reaching the age of 18 may continue to declare Junior category for the remainder of the current target year.

SHOOT OFF REFEREES

All directors and delegates will act as shoot off referees.

Shoot Off Table - John Atkielski and Rick Tesker

PRACTICE TRAPS

Practice will be available each day at the east end of the trap line on permanent trap 1. Tickets must be purchased at trap 1 and are not refundable if not used. The cost is \$5.00 per 25 targets. Make your entry at the practice traps. Practice times will be posted and announced each day.

ATTENDANCE PINS

Attendance pins will be issued to contestants at the classification table. Your average card will be punched or marked upon receipt of pin. Please, only one pin per shooter. If there are extras at the end of the shoot, they will be made available at that time.

CAMPERS, TENTS and TRAILERS

The Waukesha Gun Club has a limited amount of space for the parking of RVs and the pitching of tents. Electrical outlets are even more limited and spaces near them will be restricted to those requiring outlets. The circuits will not handle air conditioners. In the event of an overload, the circuits are cut off to protect the trap line. Space is on a reserved basis and the price is determined by the WTA. Contact Bill Simonar at 920-655-4759 for more information.
