PRESIDENT'S MESSAGE

Welcome to the 114th Annual Wisconsin State Shoot and the First State Shoot to be held at your new Homegrounds! Through the dedication and hard work of the WTA Board of Directors and it's many volunteers, contributions from fellow trapshooters, support from groups and businesses and the assistance of local, county and State government and governmental organizations, what once was only a dream has now become a reality.

On July 16, 2013, the Wisconsin Trapshooting Association will celebrate the Grand Opening of our new Shooting Complex and Learning Center. The festivities will include appearances by the many dignitaries that made our "Homegrounds" possible, a first shot by Ray Moser, a ribbon cutting ceremony and will begin at 9:30 AM. We would like to invite all of our members to join us for this momentous event.

The WTA Annual Meeting will be held in the tents at the main entry area on July 19th at 8:00 AM. You will be fully updated with information concerning the future of the WTA. Please remember to bring your 2013 ATA membership card and proof that you have shot for 2 years so that you may vote for your ATA Delegate and Alternate Delegates.

There has been countless man hours dedicated by many with the passion to provide you with the finest State Shoot possible and saying "Thank You" is an understatement. Please continue to support your local club, the WTA and the sport of trapshooting and take a friend shooting!

Bruce Stiteley - WTA President

Any changes made by the Classification Committee during this shoot become official when the shooter is notified or when posted on the scoreboard. Errors may be corrected at any time. If you gain yardage you must check at the Squading Table to see if you need resquading for the remaining handicap events.

ENTRY PROCEDURE - PLEASE READ

The grounds will be open at noon on Monday, July 15 for classification, squading, cashiering, exhibitor set-up and camper set-up.

Before you can make any entries, you must be a current ATA member. If you need an ATA membership or renewal, go directly to the cashier's counter. The WTA has changed to the 3S Shooting Sports Software for our State Shoot. As such, you are now required to have your plastic ATA card for classifying, squading, cashiering and the collection of event payoffs. In order to expedite the shoot, please follow the entry procedure in the following order:

1. Classification - All shooters, whether pre-squaded or not, must start at classification. Present your plastic ATA card and ATA paper average card to a member of the Classification Committee at the classification table. Please have your average card up to date! They will enter your classification, yardage and any special category for which you declare into the computer system. If you do not have a plastic ATA card or ATA number, then the computer will assign you a Shooter Number. Otherwise your ATA Number is your Shooter Number. Do not misplace this number as it will be required for squading and cashiering.

2. Squading - If you have pre-squaded for this shoot at presquad.com, you may proceed directly to the cashier's counter. Otherwise, proceed to the squading table and stand in the line for the event(s) that you wish to enter. Present your plastic ATA card or Shooter Number to the squading personnel. They will enter your squading information into the computer system. You will not receive any paper entry cards. Shooters must take an available position or squad that's open in the next available flight of squads. There is a limit of one full squad per shooter per event. There will be no exceptions except for those shooters that are handicapped. Any shooter or group of shooters found trying to circumvent these procedures by requesting multiple squads and/or positions will have their entries refused and could be subject to further disqualification from an event or from the entire tournament. To ensure your shooting times and positions, the use of presquad.com is recommended. **Please note:** The trapline is arranged into fourteen (14) banks of trapfields with 14 starting points. Bank A is at the East end and Bank N at the West end of the trap line. 50 targets will be shot per trap for all singles, handicap and doubles events. Charts showing the starting locations for squad numbers will be made available and posted about the grounds.

3. Cashiering - Present your plastic ATA card or Shooters Number to personnel at the cashier's counter. They will ask which purses and options that you wish to play. Please make this decision in advance, as no additions or withdrawals will be allowed for any event after you have cashiered. Checks will be accepted for the amount of shooting fees only. Make checks payable to the WTA. No two party checks or endorsements. A \$25.00 fee will be charged on all bad checks. There are no refunds unless an event is cancelled.

Sub Junior/Junior Entry: Shooters under 18 years of age are offered targets at a reduced rate of \$24.00 per 100 only if purses or options are not played. These Sub Juniors/Juniors are still eligible for trophies and added money if their score so qualifies them.

4. Event Payoffs - You must present your plastic ATA card or Shooters Number to cashier personnel in order to receive any event payoffs. Announcements will be made or posted daily as to the availability of payoffs. All payoffs not made at the shoot will be mailed within 10 days.

THE CASHIER'S COUNTER WILL OPEN AT 7:30 AM and CLOSE AT 5:00 PM DAILY

FEES - Daily fees of ATA \$3.00 & WTA \$3.00 will be added to your first entry of each day.

SQUAD HUSTLING

Check in with the squad hustler at your starting trap and sign in on your squad sheet at the starting trap scorer's bench. At each of the starting locations, the number of the squad which is actually shooting is posted on the scorers bench.

WE DO NOT CALL SQUAD NUMBERS ON THE PA SYSTEM

No shooter will be allowed to make up more than one sub-event on make up practice traps 17 or 18.

Note: If you are unable to join your squad before they have started their second sub-event, you must be resquadded and pay a \$20.00 resquadding fee. If you miss one sub-event, you must report to a WTA Director and make up the sub-event on a practice trap.

TARGET SETTING

Targets will be set each morning. Only authorized WTA personnel may reset targets. Any unauthorized person observed resetting targets may be disqualified from that event.

SHOOT OFFS

A contestant whose score qualifies them for more than one (1) ATA/WTB trophy must notify shoot management as to which trophy he/she desires to accept or shoot for. The shooter must make his/her declaration after the scores for each EVENT are posted and before entering into any shoot-off/carry-over. The maximum time allowed for such declaration shall be 15 minutes or at the time of shoot offs for that event. This declaration should be made at the shoot off table. If the shooter fails to make a declaration within the specified time, shoot management shall assign "category" as the choice.

Any shooter who is tied for event Champion may shoot-off/carry-over for the Championship trophy. If a shooter fails in the championship trophy shoot-off/carry-over and has declared a special category at the time of classification, the shooter can fall back to the declared special category.

Any shooter who has declared a special category at the time of classification and whose score qualifies for any trophy in his/her declared category, will compete for the category trophy and not for place, class or yardage group.

Any special category shooter whose score does not qualify for a trophy in his/her category, may compete for place, class or yardage group trophies.

Category shooters can shoot off for resident category trophies and then fall back to open category trophies if their score allows.

Once any declarations have been made either by a shooter or shoot management, the declaration is final and cannot be changed. There shall be no exception to this rule.

If there is a tie between two or more shooters, and one shooter leaves the grounds, they are disqualified. If the other shooter has consumed alcohol, they are disqualified (Stingl Rule). 1st ATA rule is for "no show", 2nd rule regards "no tolerance." Ties under this rule will be decided by a coin flip or by lot.

Note: No Shooter may win more than one trophy per event, except the concurrent awards of Husband/Wife, Parent/Child, AIM Awards and Club Team Championship

ATA RULE - SPECIAL CATEGORIES: All Ladies I and II, Sub Juniors, Juniors, Junior Gold, Sub Veterans, Veterans, and Senior Veterans must declare their special category at the time of classification in any registered tournament if they wish to compete as a category shooter. Without such declaration, the contestant will not be allowed to compete for the applicable category trophy. No contestant will be allowed to declare or change a special declaration after firing his/her first shot. There will be no exceptions to this rule. The following rules apply to shooters who have declared a special category. At all tournaments where All American points will be awarded in any event, shooters may declare only one (1) category. Note: Chair shooters are exempt from this rule. Shooters who become eligible for new age based categories during the target year may elect to continue to compete in the previous category for the remainder of that target year. (For example a shooter reaching age 70 may elect to continue to shoot as a Veteran for the remainder of the current target year.) However, once a shooter has elected to move to the new category that decision is irrevocable and he/she may not again declare eligibility for the previous category. Junior shooters reaching the age of 18 may continue to declare Junior category for the remainder of the current target year.

SHOOT OFF REFEREES

All directors and delegates will act as shoot off referees.
Shoot Off Table - John Atkielski and Rick Tesker

PRACTICE TRAPS

Practice will be available each day on traps 17 and 18. Tickets must be purchased at the practice traps and are not refundable if not used. The cost is \$6.00 per 25 targets for singles or handicap and \$5.00 per 20 targets for doubles. Make your entry at the practice traps. Practice times will be posted and announced each day.

ATTENDANCE PINS

Attendance pins will be issued to contestants at the classification table. Your average card will be punched or marked upon receipt of pin. Please, only one pin per shooter. If there are extras at the end of the shoot, they will be made available at that time. Past State Shoot pins are available at \$1.00 each.

MONEY DIVISION

NOTICE: To expedite the calculation of purses, options and added monies, the scores that appear on the bulletin sheets one (1) hour after the last squad has been posted will be final. Shooters have until that time to make corrections to their posted scores.

All monies due shooters in the form of purses, options and/or added money will be paid by check the day after completion of an event. All monies not distributed at the shoot, will be paid by check and mailed within ten (10) days by the WTA.

* ROSE POINT SYSTEM *

In the Rose Point System, the number of places to be paid and the point values of each place is determined prior to the event.

EXAMPLE: If four places are paid and the point values are; 7-4-2-1 points, the high score and ties of those who played the purse each receive 7 points, the next high score of those who played the purse receive 4 points, etc. Total points awarded will then be divided into the total money to determine the value of one point. The amount the shooter receives will equal the value of one point multiplied by the points earned by the shooters score.. For example: If the value of one point was determined as \$19.50 and the top score earned 7 points in a 7-4-2-1 Rose Point System. All shooters with that top score would be paid $7 \times \$19.50 = \136.50 . All shooters with second highest score would be paid $4 \times \$19.50 = \78.00 and so on.

For almost 7 decades, its been there.....the dream of a Homegrounds! Through the foresight of previous leaders within the WTA, the benevolence of many others, the fierce dedication of the current board, and a force of mighty volunteers, WE ARE ON OUR WAY.

We might be a little rough around the edges, but we are here. We have come so far and will go farther. A state of the art Training and Education Center, Skeet Shooting, Sporting Clays, Five-Stand, and Olympic Bunker, and of course American Trap. Someday we will include Pistol, Rifle and Archery shooting as well. All of this will be complimented by what will be a world class RV facility.

It is truly amazing what a little blood , sweat, tears, and countless hours of untold effort can do.
