## PRESIDENT'S MESSAGE

Welcome to the 115<sup>th</sup> Annual Wisconsin State Shoot and the Second year at your new Homegrounds! We hope you enjoy the new improvements and additions to the facility and the State Shoot Program. During your stay, please explore the many other activities and sites that Central Wisconsin and the Town of Rome has to offer!

New this year will be an Old Fashion Fish Fry held on Friday, July 18th. It will be one of the best fish fries you have ever had. Also, due to popular demand, the WTA will again have our “Meet and Greet” on Thursday evening along with refreshments and snack foods. We have added a few more trophies for those of you chasing those All American Points. And for those of you that have never experienced Olympic Bunker Trap, you will have the opportunity to give a try during the shoot.

The WTA Annual Meeting will be held on the grounds (location on grounds will be announced at a later date) on July 18<sup>th</sup> at 8:00 AM. We will be honoring those on the All State Team and the High Average Winners. Updated information concerning the future of the WTA will also be presented. Please remember to bring your 2014 ATA membership card and proof you have shot for 2 years so that you may vote for your ATA Delegate and Alternate Delegates.

Please feel free to join us at other functions and activities during the year that will be happening at the Homegrounds RV Park and WTA Shooting Complex and Learning Center. For more info check out our websites at [www.homegroundsrvpark.com](http://www.homegroundsrvpark.com) and [www.witrapshooters.com](http://www.witrapshooters.com). Thank you for joining us and remember to support your local club and take a friend shooting.

## ENTRY PROCEDURE - PLEASE READ

The grounds will be open at noon on Monday, July 14 for classification, squading, cashiering, exhibitor set-up and camper set-up.

Before you can make any entries, you must be a current ATA member. If you need an ATA membership or renewal, go directly to the cashier's counter. The WTA has changed to the 3S Shooting Sports Software for our State Shoot. As such, you are now required to have your plastic ATA card for classifying, squading, cashiering and the collection of event payoffs. In order to expedite the shoot, please follow the entry procedure in the following order:

**1. Classification** - All shooters, whether pre-squaded or not, must start at classification. Present your plastic ATA card and ATA paper average card to a member of the Classification Committee at the classification table. Please have your average card up to date! They will enter your classification, yardage and any special category for which you declare into the computer system. If you do not have a plastic ATA card or ATA number, then the computer will assign you a Shooter Number. Otherwise your ATA Number is your Shooter Number. Do not misplace this number as it will be required for squading and cashiering.

**2. Squading** - If you have pre-squaded for this shoot at presquad.com, you may proceed directly to the cashier's counter. Otherwise, proceed to the squading table and stand in the line for the event(s) that you wish to enter. Present your plastic ATA card or Shooter Number to the squading personnel. They will enter your squading information into the computer system. You will not receive any paper entry cards. Shooters must take an available position or squad that's open in the next available flight of squads. There is a limit of one full squad per shooter per event. There will be no exceptions except for those shooters that are handicapped. Any shooter or group of shooters found trying to circumvent these procedures by requesting multiple squads and/or positions will have their entries refused and could be subject to further disqualification from an event or from the entire tournament. To ensure your shooting times and positions, the use of presquad.com is recommended. **Please note:** The trapline is arranged into fourteen (14) banks of trapfields with 14 starting points. Bank A is at the East end and Bank N at the West end of the trap line. 50 targets will be shot per trap for all singles, handicap and doubles events. Charts showing the starting locations for squad numbers will be made available and posted about the grounds.

**3. Cashiering** - Present your plastic ATA card or Shooters Number to personnel at the cashier's counter. They will ask which purses and options that you wish to play. Please make this decision in advance, as no additions or withdrawals will be allowed for any event after you have cashiered. Checks will be accepted for the amount of shooting fees only. Make checks payable to the WTA. No two party checks or endorsements. A \$25.00 fee will be charged on all bad checks. There are no refunds unless an event is cancelled.

**Sub Junior/Junior Entry:** Shooters under 18 years of age are offered targets at a reduced rate of \$24.00 per 100 only if purses or options are not played. These Sub Juniors/Juniors are still eligible for trophies and added money if their score so qualifies them.

**4. Event Payoffs** - You must present your plastic ATA card or Shooters Number to cashier personnel in order to receive any event payoffs. Announcements will be made or posted daily as to the availability of payoffs. All payoffs not made at the shoot will be mailed within 10 days.

**THE CASHIER'S COUNTER WILL OPEN AT 7:30 AM and CLOSE AT 5:00 PM DAILY**

**FEES** - Daily fees of ATA \$3.00 and WTA \$3.00 will be added to your first entry of each day.

## SQUAD HUSTLING

Check in with the squad hustler at your starting trap and sign in on your squad sheet at the starting trap scorer's bench. At each of the starting locations, the number of the squad which is actually shooting is posted on the scorers bench.

## WE DO NOT CALL SQUAD NUMBERS ON THE PA SYSTEM

No shooter will be allowed to make up more than one sub-event on make up practice traps 17 or 18.

**Note:** If you are unable to join your squad before they have started their second sub-event, you must be resquadded and pay a \$20.00 resquadding fee. If you miss one sub-event, you must report to a WTA Director and make up the sub-event on a practice trap.

## TARGET SETTING

Targets will be set each morning. Only authorized WTA personnel may reset targets. Any unauthorized person observed resetting targets may be disqualified from that event.

## SHOOT OFFS

Any shooter who is tied for event Champion may shoot-off/carry-over for the Championship trophy. If a shooter fails in the championship trophy shoot-off/carry-over and has declared a special category at the time of classification, the shooter can fall back to the declared special category.

Any shooter who has declared a special category at the time of classification and whose score qualifies for any trophy in his/her declared category, will compete for the category trophy and not for place, class or yardage group.

Any special category shooter whose score does not qualify for a trophy in his/her category, may compete for place, class or yardage group trophies.

Category shooters can shoot off for resident category trophies and then fall back to open category trophies if their score allows.

Once any declarations have been made either by a shooter or shoot management, the declaration is final and cannot be changed. There shall be no exception to this rule.

If there is a tie between two or more shooters, and one shooter leaves the grounds, they are disqualified. If the other shooter has consumed alcohol, they are disqualified (Stingl Rule). 1st ATA rule is for "no show", 2nd rule regards "no tolerance." Ties under this rule will be decided by a coin flip or by lot.

**Note: No Shooter may win more than one trophy per event, except the concurrent awards of Husband/Wife, Parent/Child, AIM Awards and Club Team Championship**

**ATA RULE - SPECIAL CATEGORIES:** All Ladies I and II, Sub Juniors, Juniors, Junior Gold, Sub Veterans, Veterans, and Senior Veterans must declare their special category at the time of classification in any registered tournament if they wish to compete as a category shooter. Without such declaration, the contestant will not be allowed to compete for the applicable category trophy. No contestant will be allowed to declare or change a special declaration after firing his/her first shot. There will be no exceptions to this rule. The following rules apply to shooters who have declared a special category. At all tournaments where All American points will be awarded in any event, shooters may declare only one (1) category. Note: Chair shooters are exempt from this rule.

Shooters who become eligible for new age based categories during the target year may elect to continue to compete in the previous category for the remainder of that target year. (For example a shooter reaching age 70 may elect to continue to shoot as a Veteran for the remainder of the current target year.) However, once a shooter has elected to move to the new category that decision is irrevocable and he/she may not again declare eligibility for the previous category. Junior shooters reaching the age of 18 may continue to declare Junior category for the remainder of the current target year.

## PRACTICE TRAPS

Practice will be available each day on traps 17 and 18. Tickets must be purchased at the cashiers counter and are **not** refundable if not used. The cost is \$6.00 per 25 targets for singles or handicap and \$5.00 per 20 targets for doubles. Make your entry at the practice traps. Practice times will be posted and announced each day.

## ATTENDANCE PINS

Attendance pins will be issued to contestants at the classification table. Your average card will be punched or marked upon receipt of pin. Please, only one pin per shooter. If there are extras at the end of the shoot, they will be made available at that time. Past State Shoot pins are available at \$1.00 each.
