WTA Homeground Shoot Results

2015 Fall Classic - Oct. 9,10,11

Cool & breezy Fri. & Sat. but Sunday was a more typical WI summer day. Daily tasty lunches were served by Pistol Petes's (a local vendor obtained by Glen Hammerly). Shoot labor for Sat. & Sun. was provided by Nekoosa high school students (contracted for by Denny). However Fri. labor came from shooters & those who accompanied them due to the Nekoosa High School baseball team being involved in a tournament. Getting through Fri. was "challenging" but thanks to those volunteers, we "got er done"! Turnout of shooters was overwhelming to say the least! They came from 5 different states. Shoot featured a 900 target HOA Added \$ of \$3250 paid based on %of class entry. Overall I feel the shoot ran extremely well and any problems encountered were handled without any inconvenience to the shooters. Many thanks to all those who volunteered to make this a shoot to remember! Friday we had 87 entries in Singles & Handicap, 65 in Doubles. Saturday we had 118 in the Singles, 115 in Handicap, and 65 in doubles. Payouts in all events were, in my estimation, exceptional! Event trophy awards were boxes of ammo based on class or yardage groups. Shooters seemed to appreciate these and some went home with a "bunch".

There were no shootoffs in any events - ties split the boxes of shells in classes/yardage groups.
