# PRESIDENT'S MESSAGE

---

Welcome to the 118<sup>th</sup> Annual Wisconsin State Shoot. Wisconsin conducts the third largest State Shoot in the nation and has an All-American points competition factor of 5. This year, category shooters will again receive All-American points for runner-up and third in all events from Wednesday through Sunday.

The WTA Annual Meeting will be on Sunday morning beginning at 8:00 A.M. in the main building at the Homegrounds. Please remember to bring your current ATA membership card for proof that you have shot for a least 2 years so that you may vote for your ATA Delegate. The presentation of the Wisconsin All State Team and High Average Award Winners will take place between the Log Home Doctors Preliminary Handicap and the Ho Chuck Gaming Doubles Championship on Friday near the main building. The WTA Hall of Fame Induction Banquet on Saturday will be held at the Ridges Golf Course in Wisconsin Rapids.

The "WTA Meet and Greet" on Thursday evening and Fish Fry on Friday evening will both begin at approximately 5:00 P.M. in the main building on the grounds. At the Fish Fry, there will be a live auction, silent auction, many raffles, fun events and door prizes.

Thank you to every person who has volunteered, given time, services or those who have given monetary donations to help the WTA be as successful as it is. We appreciate every person's input into our organization. Hope you shoot well, have a good time and look forward to seeing you again next year!

Jerry Farnsworth – WTA President

This certifies that the Wisconsin Trapshooting Association has been authorized to hold an ATA Registered shoot at the WTA Shooting Complex and Learning Center in Rome, Wisconsin, July 11 thru July 16, 2017

Lynn Gipson, Executive Director, ATA

The Directors of the Wisconsin Trapshooting Association reserve the right to change the program as conditions warrant and to reject any entry without explanation. **WTA ZERO TOLLRANCE POLICY** – there will be zero tolerance of any shooter or observer interfering with the shoot by abusing any shooter, WTA Director, Officer or employee in any way: unauthorized operation of equipment or partaking of alcoholic beverages prior to shooting, including shoot offs. ## ENTRY PROCEDURE – PLEASE READ

The grounds will open at noon on Monday, July 10<sup>th</sup> for classification, squading, cashiering, exhibitor set-up and camper set-up.

Before you can make any entries, you must be a current ATA and WTA member. If you need an ATA or WTA membership or renewal, go directly to the cashier's counter. As such, you are now required to have your plastic ATA card and paper averages for classifying, squading, cashiering and the collection of event payoffs. In order to expedite the shoot, please follow the entry procedure in the following order:

**Classification** – All shooters, whether pre-squad or not, must start at classification. Present your plastic ATA card and ATA paper average card to a member of the Classification Committee at the classification table. Your paper average card must be presented and up to date or you will not be classified! They will enter your classification, yardage and any special category for which you declare into the computer system. If you do not have a plastic ATA card or ATA number, then the computer will assign you a Shooter Number. Otherwise your ATA Number is your Shooter Number. Do not misplace this number as it will be required for squading and cashiering.

**Squading** – if you have pre-squaded for this shoot at [presquad.com](http://presquad.com) beginning **May 1 (at noon central)** you may proceed directly to the cashier's counter. Otherwise, proceed to the squading table and stand in the line for the event(s) that you wish to enter. Present your plastic ATA card or Shooter Number to the squading personnel. They will enter your squading information into the computer system. You will not receive any paper entry cards. Shooters must take an available position or squad that's open in the next available flight of squads. There is a limit of one full squad per shooter per event. There will be no exception except for those shooters that are handicapped. Any shooter or group of shooters found trying to circumvent these procedures by requesting multiple squads and/or positions will have their entries refused and could be subject to further disqualification from an event or from the entire tournament. To ensure your shooting times and positions, the use of [presquad.com](http://presquad.com) is recommended. **Please note:** The trap line is arranged into fourteen (14) banks of trap fields with 14 starting points. Bank A is at the East end and Bank N at the West end of the trap line. 50 targets will be shot per trap for all singles, handicap, and doubles events. Charts showing the starting locations for squad numbers will be made available and posted about the grounds.

**Cashiering** – Present your plastic ATA card or Shooters Number to personnel at the cashier's counter. They will ask which purses and options that you wish to play. Please make this decision in advance, as no additions or withdrawals will be allowed for any event after you have cashiered. Checks will be accepted *for the amount of shooting fees only*. Make checks payable to the WTA. *No two party checks or endorsements*. A \$50.00 fee will be charged on all bad checks. There are no refunds unless an event is cancelled.

**Sub-Junior / Junior Entry:** Shooters under 18 years of age are offered targets at a reduced rate of \$24.00 per 100 only if purses or options are not played. These Sub Juniors/Juniors are still eligible for trophies and added money if their score so qualifies them.

**Event Payoffs** – You must present your plastic ATA card or Shooters Number to cashier personnel in order to receive any event payoffs. Announcements will be made or posted daily as to the availability of payoffs. All payoffs not made at the shoot will be mailed within 10 days.

**THE CASHIER'S COUNTER WILL OPEN AT 7:30AM and CLOSE AT 3:30PM DAILY**  
**CHECK CASHING WILL BE AVAILABLE FROM 8:00-10:00AM and 1:00-3:00PM**

**FEES- Daily fees of ATA \$3.00 and WTA \$3.00 will be added to your first entry of each day.**

## SQUAD HUSTLING

Check in with the squad hustler at your starting trap and sign in on your squad sheet at the starting trap scorer's bench. At each of the starting locations, the number of the squad which is actually shooting is posted on the scorer's bench.

### **WE DO NOT CALL SQUAD NUMBERS ON THE PA SYSTEM**

No shooter will be allowed to make up more than one sub-event on make-up practice traps 17 or 18. **Note:** If you are unable to join your squad before they have started their second sub-event, you must be resquaded and pay a \$20.00 resquading fee. If you miss one sub-event, you must report to a WTA Director and make-up the sub-event on a practice trap.

## TARGET SETTING

Targets will be set each morning. Only authorized WTA personnel may reset targets. Any unauthorized person observed resetting targets may be disqualified from the event.

## SHOOT OFFS

Any shooter who is tied for event Champion may shoot-off/carry-over for the Championship trophy. If a shooter fails in the championship trophy shoot-off/carry-over and has declared a special category at the time of classification, the shooter can fall back to the declared special category. Any shooter, who has declared a special category at the time of classification and whose score qualified for any trophy in his/her declared category, will compete for the category trophy and not for place, class or yardage group.

Any special category shooter, whose score does not qualify for a trophy in his/her category, may compete for place, class or yardage group trophies.

Category shooters can shoot-off for resident category trophies and then fall back to open category trophies if their score allows.

Once any declarations have been made either by a shooter or shoot management, the declaration is final and cannot be changed. There shall be no exception to this rule.

If there is a tie between two or more shooters, and one shooter leaves the grounds, they are disqualified. If the other shooter has consumed alcohol, they are disqualified (Stingl Rule). 1<sup>st</sup> ATA rule for "no show", 2<sup>nd</sup> rule regards "no tolerance." Ties under this rule will be decided by a coin flip or by lot.

**Note:** No shooter may win more than one trophy per event, except the concurrent awards of Husband/Wife, Parent/Child, AIM Awards and Club Team Championship.

**ATA RULE – SPECIAL CATEGORIES:** All Ladies I and II, Sub Juniors, Juniors, Junior Gold, Sub Veterans, Veterans, and Senior Veterans must declare their special category at the time of classification in any registered tournament if they wish to compete as a category shooter. Without such declaration, the contestant will not be allowed to compete for the applicable category trophy. There will be no exceptions to this rule. The following rules apply to shooters who have declared a special category. At all tournaments where All American points will be awarded in any event shooters may declare only one (1) category. Note: Chair shooters are exempt from this rule. Shooters who become eligible for new age based categories during the target year may elect to continue to compete in the previous category for the remainder of that target year. (For example a shooter reaching age 70 may elect to continue to shoot as a Veteran for the remainder of the current target year) However, once a shooter has elected to move to the new category that decision is irrevocable and he/she may not again declare eligibility for the previous category. Junior shooters reaching the age of 18 may continue to declare Junior category for the remainder of the current target year.

## PRACTICE TRAPS

Practice will be available each day on traps 17 and 18. Tickets **must** be purchased at the cashier's counter and are **not** refundable if not used. The cost is \$6.00 per 25 targets for singles or handicap and \$5.00 per 20 targets of doubles. Make your entry at the practice traps. Practice times will be posted and announced each day.

## ATTENDANCE PINS

Attendance pins will be issued to contestants at the classification table. Your average card will be punched or marked upon receipt of pin. Please only one pin per shooter. If there are extras at the end of the shoot, they will be made available at that time. Past State Shoot pins are available at \$1.00 each.

## **WISCONSIN YOUTH DEVELOPMENT PROGRAM**

### **Sponsored by the WTA, Recob's Target Shop, and Direct Drive Express**

The WTA is again proud to offer their 2017 Youth Development Trapshooting Program to all clubs, organizations, and groups. The intentions of this program speak for itself, it is for the introductions, development and teaching the sport of trapshooting to youth. The rewards of promoting youth trapshooting, has really begun to show at many shooting events across the state. Youth are dominating the adults in many of the winner's circles at competitive shoots across the state and nation. Through the dedication of shooting instructors, coaches, parents, and the youth themselves, we have a strong nucleus of young shooters that will help this sport grow into the future and we thank everybody for their efforts. We also thank all of the contributors and sponsors for this program and because of them; this program has attained national recognition.

The WTA proposed a youth program in 1986 and in 1988 the first Youth Development Championship Shoot occurred and since then it is estimated that over 5000 youth have participated in the program. Today, there are other excellent youth programs in Wisconsin that are recognized locally and nationally and opportunities for youth competition have grown enormously. With this being said, we feel the WTA Youth Development has served its purpose and this will be the final year for the program...it is a bitter-sweet decision.

We hope that you and your club or organization will take advantage of this final opportunity that we are proud to offer. More information is available at [www.witrapshooters.com](http://www.witrapshooters.com).
