

## **BUILDING** our future

Someone once said, "One person can make a difference. A team can make a miracle".

Last year was an exciting year for us. We raised enough money to launch our clubhouse project. It should be ready for you to enjoy by our state shoot. Thank you for being a person who made a difference. Thank you for being part of our team making a miracle, our successful Home Grounds.

This year the journey continues as we are in so many ways building our future. Each year we make more progress in making our Home Grounds one of the premier trapshooting locations in the country. Did you know this year marks our 5 year anniversary in Rome? Teamwork made it happen. People like you who made a difference made it happen. We need you. We need your help in continuing to build our future.

Please consider helping us in the following ways:

**Come to a shoot at the Home Grounds** We have shoots May 12 & 13, July 10-15, October 6 & 7

**Bring a friend** Introduce a friend or young person to our sport

**Mark your calendar for the State Shoot** July 10-15

**Contribute to the silent and live auctions** proceeds will go to the building and furnishings

**Support our raffles-** proceeds also support building furnishings

**Volunteer to help-** this is huge.

**Ask your home club to support us** - sponsor something for the clubhouse, such as a water softener, furnace, air conditioner, gun safe, sturdy tables, etc. Contact Fritz or Chops

Five years in Rome, a new building.....wow! We couldn't have done it without you. Thank you. Thank you for helping to build our future.
