121st Annual Wisconsin State Shoot

On May 29th, the Wisconsin Trapshooting Association Board agreed to hold our 121st Annual Wisconsin State Shoot from July 14th – 19th, 2020.

Due to COVID-19, this year’s state shoot will be a little different than shoots in recent history.

- The building will be open for squadding and cashiering only. Social distancing will be maintained according to state guidelines while within the building. We encourage everyone to wear masks while within the building.
- We will not be holding any social events:
 - o Wednesday, July 15th, Pig Roast – CANCELLED
 - o Thursday, July 16th, Hot Dog Feed – CANCELLED
 - o Friday, July 17th, Fish Fry & WTA Fundraiser – CANCELLED
 - Please check out silent auction items inside the main building.
- There will be access to food vendors outside the building. Please be mindful of social distancing while ordering and waiting for food orders.
- Shower houses will be open, cleaned daily and sanitized throughout each day.
- In the event we don’t have enough trap help be prepared to score and load traps.
- Shooters will need to “self-police” themselves and determine their own safe zones.

Starting at noon on May 30th, please take advantage of pre-squadding at presquad.com. We will be developing flexible refund policies to encourage cashiering for multiple events and days at a time.

Squadding and Cashiering will open Monday, July 13th, at noon. If interested in shooting Marathon Monday please see Glen Grabski.

If you need to cancel your camping reservations or have questions, please contact Amy Jenkins at asjenks13@gmail.com

We look forward to seeing you at the 2020 Wisconsin State Shoot.

WTA President
